

ARIZONA DEPARTMENT OF TRANSPORTATION PUBLIC MEETING

Your Input is Needed on I-40/US 93 West Kingman Traffic Interchange Feasibility Report and Environmental Studies

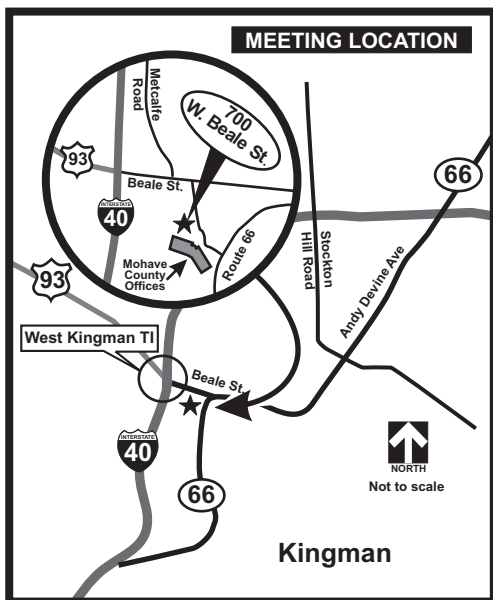

Monday March 31, 2008
6:00 p.m. - 8:00 p.m. (MST)

Presentation at 6:30 P.M.

**Mohave County Offices, Saguaro Rooms A & B
700 West Beale Street, Kingman AZ 86401**

The general public is invited to attend an informational meeting about potential improvements to the Interstate 40 (I-40)/US 93 traffic interchange (TI) in west Kingman. The Arizona Department of Transportation (ADOT), in coordination with the Federal Highway Administration and the Bureau of Land Management, has initiated a study to identify alternatives for providing a free-flow traffic connection between I-40 and US 93. Alternatives for a new TI location, including possible improvements to the existing Beale Street TI, will be evaluated. The improvements will be evaluated for potential environmental, social, and economic issues. It is anticipated that the findings of this study will be carried forward for more detailed study.

The purpose of the meeting is to gather public input on issues, concerns, and opportunities to be considered during the study. The comments received from this meeting will be used to help identify critical issues to be addressed in the development and evaluation of the alternatives. Study team members will be present to answer your questions and address your concerns. Map displays will be available for viewing.
